

May 12, 2022.

Dear Male Scholarship Applicant:

Thank you in advance for applying for the Logan County Chamber's Men in Business Scholarship! We are dedicated to helping develop young people to return to Logan County from college and be productive members of our community. This scholarship is meant to encourage a high school male senior student who is a Logan County resident to further her education through post-secondary education whether that be at a college or technical school.

The scholarship is a one-time payment of \$1,000, made payable to your chosen institution of higher learning.

It should be noted that this scholarship, while asking for GPA information as well as extracurricular activities, will not be based on those two factors alone. This scholarship will be awarded based upon a mix of academics, activities, other awards and need.

We are glad that you are applying for the Men in Business Scholarship and wish you the best of luck on your upcoming graduation. Deadline for submitting this scholarship application to the Logan County Chamber of Commerce is Friday, June 3rd.

Sincerely,

Polly Steenbergen, Executive Director

Logan County Chamber of Commerce

Men in Business \$1,000 Scholarship

2022 APPLICATION

Please Submit by 6/3/2022 to the Logan County Chamber of Commerce
116 S. Main St. Russellville, KY or executive.assistant@loganchamber.com
